

Remarks

Pursuant to Examiner Sastri's request, applicants are submitting herewith Figure 4 and request that it be reviewed and added to the application. It is stipulated that Figure 4 is an exact replicate of Graph 1 as found on page 29. Figure 4 is also being submitted in a separate Letter to the Official Draftsman, a copy of which is attached hereto.

The specification has been amended to make the description consistent with the added Figure 4.

The foregoing amendments and addition of Figure 4 have been made in agreement with Examiner Sastri. If Examiner Sastri has any further questions, applicants would welcome a telephone call to resolve these questions.

Respectfully submitted,

/Philip P. McCann/
